## Snakes Alive!

Doubtful specimens will  
be identified free of  
charge by reptile expert,  
ERIC WORRELL.

If possible, send alive in a  
bag and nailed in a  
strong box. Dead speci-  
mens can be preserved in  
methylated spirit but pour  
off spirit before posting.  
Attach all data to the jar.  
Do not send descriptions  
without specimens.
